

Final Notebook Check IB Biology Year 1

1. DNA Drawing notes
- 2a. Replication notes
- 2b. Replication mini-quiz
3. PCR homework worksheet
4. DNA drawing mini-test
5. Transgenic modification of bacteria notes
6. Plasmid genetic modification worksheet
7. Gel electrophoresis simulation worksheet
8. GMO notes
9. GMO homework
10. DNA fingerprint/gel homework sheet
11. Transcription and Translation notes (two pages)
12. Transcription and Translation T/F
13. Sickle cell mutation worksheet
14. Transcription/translation practice worksheet
15. Codon table!
16. Details of replication/transcription/translation guided notes
17. Genes and Consequences mutation analysis
